RE: Environment2004 Inc. PAC
FEC Identification #C000386045

Dear Ms. Benitz,

This is in response to your letter dated December 10, 2004 concerning the October Quarterly Report (7/1/04-9/30/04) of the above-referenced Committee.

1. The expenditures reported as "Events - State" were for office supplies, the expenditures reported as "Event Expense" were for catering & room rental and the expenditures reported as "Media Production" were for the production of advertisements that were never publicly distributed. None of the above expenditures were made on behalf of specifically identified federal candidates. The advertisements, had they been aired, would have been considered electioneering communications, as they did not contain express advocacy. The Committee will amend its report to clarify the purposes of the expenditures reported as "Events - State" and "Event Expense."

2. The Committee will amend its report to add the missing information on Schedule E.

Please feel free to contact me if you have any questions about these responses, or if you would like further clarification. And thank you for all of your assistance this year; it has been a pleasure working with you and Christine Adams.

Kindly,

Miranda A. Anderson
Assistant Treasurer
